

# EVENT PRICING

*As of February 2020*

Let Nellie take the stress away for your next event. When that little caravan rocks up, everyone knows it's a party!

Please feel free to contact us for a custom quote if your event does not come under any of the packages.

Photos are available on our Facebook and Instagram pages. If you are after photos of a certain package in particular, please do not hesitate to contact us.

## **A few important things to note**

General:

- We require access to power (2x 15amp or 1 x 10amp standard power point) or can hire a generator for an additional fee.
- If your event is not in Canberra we do charge a mileage fee of \$2.00 per km.

Bar service:

- ALCOHOL is BYO – our clients provide the alcohol and we provide the RSA qualified service.
- When we attend your event we arrive 1 hour earlier to put all your drinks on ice and in Nellie's fridge. However, no one wants a cold beer!, so we ask that you have your beverages chilled on our arrival. A cool room is highly recommended.
- We require access to rubbish removal. A trailer or bins are perfect.

Please also see our FAQ section on the website for more information.

We can't wait to celebrate with you!
